Da'wah has an administrative as well as implementation cost implication. This is unfortunately one of the biggest challenges that DQS-MKS faces. Our fundraising initiatives coupled with sporadic donations we receive are not enough to sustain the organization.

With your continuous financial assistance, in the form of Sadaqah, Zakah and Fisabilillah no matter how big or small we hope to continue our da'wah efforts especially in programmes related to Quranic Studies.

Da'wah is a Fard Kifaayah i.e. (a communal obligation that you are free of when a part of your community systematically engages and is dedicated in it. When it is not done effectively the entire community is held responsible)

Invite! To the path of your Lord with wisdom and with good advice and engage them in a manner that is best! Q.S 16:125
